Thriving Through Perseverance

“And let us not grow weary of doing good, for in due season we will reap, if we do not give up”

Galatians 6:9

Persevering in doing good can make us weary. The dictionary defines *good* as a quality required for a certain job, possessing a moral virtue, and giving pleasure. We grow weary of doing good in our work; we grow weary of doing good raising a family; we grow weary in doing good in a being a caregiver; we grow weary of doing good as a Christian. As Christians, the influence of politics, society and the economy challenge our perseverance in doing what is good & right. 1 Corinthians 15:58 encourages us these words: “Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain.”

In the Bible, we are given numerous examples of God’s people growing weary of doing good yet reaping the rewards because of persevering in that good.

The book of Job is a good place to begin. Job, a wealthy man, lost his animals, his crops and his family to disease & famine. The only thing he did not lose, was his life, because God told Satan he could not take Job’s life. In all of this, Job persevered in his relationship with God.

The prophet Jeremiah, in chapters 37 & 38, persevered in preaching & teaching the Gospel to a rebellious nation in spite of threats, imprisonment & being exiled into Egypt. In 2 Corinthians 11:23-33 we read how the apostle Paul was beaten, flogged, shipwrecked, imprisoned, & threatened wherever he went. Despite physical pain, Paul persevered in his faith.

Luke 18:1-8 tells us the story of the persistent widow, who pursued the Judge to right the wrong done against her until he gave in and brought justice. Like the widow, we need to be continually persevering in bringing acts of injustice to the Lord.

People of God, keep on thriving in doing good for the Lord.

When you are weary & tired, pray for perseverance.

Remember you will reap a reward!

God’s blessings as you persevere in doing good!

NEEDED!!

We are looking for a few volunteers that will be around this winter. We have many residents that have birdfeeders. They enjoy watching the birds in the winter months & we'd like to keep them filled. If you don't mind the cold & love the outdoors, we need you! We will provide the birdseed. If you're interested, please contact Rachel Rynbrandt at rachel.rynbrandt@baruchsls.org

Thank You!

The Holiday season is fast approaching!

Did you know that you & your family can use the Connector for family gatherings?

If you would like to use it, please have someone in your family or yourself contact Rachel, Life Enrichment Director if you are interested.
